THE VOICES

HOSTS, KEYNOTE & FEATURED EXPERTS

HOST · KICKOFF & CLOSING

Dan Barnard

AAMS · President,
CapitalFit

Founder and host of CapitalFit and the CapitalFit Podcast, Dan opens the day where wealth, health, and innovation meet, and returns to close with final remarks.

MASTER OF CEREMONIES

Bob Hellman

Owner, Live Well MD — 12 med spas across 3 states

A seasoned health-and-wellness entrepreneur, Bob guides the program from stage to stage as our Master of Ceremonies.

KEYNOTE SPEAKER

Mark Victor Hansen

Co-creator of Chicken Soup for the Soul®

One of the most published authors and influential speakers of our time, delivering the day's keynote and joining the business roundtable.

OPENING CONTEXT

Dr. Rick Jacoby, DPM

Stem-cell expert · Author of "Sugar Crush" · Speaker

A regenerative-medicine authority (and self-described pickleball nut), Dr. Jacoby opens the day by setting the stage and introducing his RESTORE platform.

ROUNDTABLE PANEL

A candid business discussion with **Nathan Bailey**, **Preston Weekes**, and **Mark Victor Hansen** — moderated insights on building and scaling health-innovation companies.

PRESENTING COMPANIES

Malcova

malcova.com

"Mammograms, reimagined."

Founded by Dr. Peymon Ghazi and Dr. Ghazi and backed by \$7M in NIH funding, Malcova is reinventing breast imaging. The team is heading into a Yale Medicine validation study with 50 patients within roughly two months – a genuine women's-health milestone you won't want to miss.

\$7M NIH FUNDING

YALE VALIDATION

WOMEN'S HEALTH

Advanced Wellness & Pain

advancedwellnessandpain.com

Ketamine therapy for those who serve – and everyone else.

An anesthesiology group – Dr. Leatham, Dr. Gregory Wong, MD, and Dr. Sharma – that pivoted to ketamine therapy, helping first responders, veterans, and the public transform their relationship with PTSD and chronic pain.

KETAMINE THERAPY

PTSD & PAIN

HYDRAWAV3

hydrawav3.com

Dual-frequency relief.

Modulating dual frequencies to reduce pain and increase blood flow across the entire body – a new approach to recovery and circulation.

MedWatch Technologies

Live demo · June 6

A continuous glucose monitor – without the needle.

A non-needle CGM wearable protected by two patents and backed by a lead institutional investor, now in development at version 7.0. See the live demo on stage.

PRESENTING COMPANIES

Sayenza Bio

sayenza.com · Dr. Derek Banyard, MD

The regenerative power of fat.

A clinical-stage biotech automating the processing of fat — the body's largest source of stem cells — into injectable regenerative therapeutics for orthopedics and aesthetics. Its NESVF™ platform recovers dramatically more viable stem cells per milliliter than traditional methods.

CLINICAL STAGE

NESVF™ · STEM CELLS

Hoolest

hoolest.com

Calm, on demand.

Vagus-nerve stimulation relaxation technology already at roughly \$10M in revenue, with a new keychain version on the way. The mission: be in 10 million pockets within three years.

~\$10M REVENUE

VAGUS-NERVE TECH

MetabolicWise

metabolicwise.com

"Root-cause" metabolic intelligence.

A metabolic AI platform built by former Google engineering talent — designed to get past surface answers and find the root cause of metabolic health.

Peak Performance Peptides

Functional nutrition · longevity

Peptides for performance & recovery.

Targeted peptide solutions formulated for performance, recovery, and longevity — at the frontier of functional optimization.

ALSO JOINING US

Resolution Resource Group

Cynthia Pierce · Founder & CEO

Executive mentor, business strategist & strategic connector — and a producer of this event.

HUMNBIRD

Nathan Bailey

Amazon marketplace experts helping brands launch and scale on the world's largest storefront.

BIGG Pharma

Houston, TX

A compounding-pharmacy startup & peptide practitioner portal with 200+ practitioners, building a licensed 503A pharmacy — positioned for the FDA's expected peptide approvals.

BioactiveMed

16 years in wellness

180 white-label compounded products for wellness, pain management — and now facial peptides.

Business Force One

Preston Weekes

Business-efficiency expert helping companies streamline and scale operations.

Live Well MD

Bob Hellman

Owner of 12 medical spas across 3 states, and our Master of Ceremonies.

ReGen Biologix

Founded by Bob Hellman

A regenerative-biologics venture advancing therapies for healing and recovery.

Quadratus Stem Cell Clinics

qstemcells.com · Dr. Rick Jacoby

Scottsdale clinics delivering mesenchymal stem-cell therapies for pain relief, healing, and regeneration.

Insperity

HR Services

Full-service HR solutions for every stage of your business.

ILUME Scottsdale

Host Venue

The premier medical office building hosting the Expo on N. Scottsdale Road.

AZbio

azbio.org · 200+ members

Arizona's bioscience industry association, advancing life-science innovation statewide.

SPAZAZZ

spazazz.com

Spa & bath aromatherapy crystals — "soak in vitamins" therapy blends for muscle, sleep, stress & more.

VITELIXIR

10+ years

An established supplement company supporting everyday health and longevity.

Green Living Magazine

Dorie Morales · Publisher

Arizona's conscious-living media partner — wellness, sustainability & healthy living.

Zap Box

Stethoscope Sanitizing System

Quickly sanitizes stethoscopes between patients to reduce germ transfer at the point of care.

Insight Forge

Innovation & Strategy

An innovation and strategy partner in the CapitalFit network.

BY INVITATION · FRIDAY EVENING

THE VIP PRE-EVENT SOIRÉE

The evening before the Expo, our vendors, speakers, sponsors and out-of-town VIP guests are invited to an intimate gathering – great company, exceptional food and wine, and live music to set the tone for the day ahead.

WHEN

Friday, June 5, 2026 (evening)

WHERE

The home of Wanda Frederick · North
Scottsdale

OUR NETWORK

THE CAPITALFIT COMMUNITY

The Expo is powered by a growing community of **innovators, clinicians, sponsors, and partners** working at the intersection of health and technology. We're proud to bring them together under one roof.

FEATURED IN THE COMMUNITY

SPAZAZZ · Spa & Bath Aromatherapy Crystals — soak in vitamins

PRESENTED BY

JUST ADDED

OUR NEWEST PARTNERS

We're proud to welcome two new partners to the CapitalFit community joining us for the Expo.

NEW PARTNER

Zap Box

Stethoscope Sanitizing System

Quickly sanitizes stethoscopes between patients to reduce germ transfer at the point of care — a simple way to keep clinical settings cleaner and safer.

NEW PARTNER

Insight Forge

Innovation & Strategy

An innovation and strategy partner joining the CapitalFit network of founders, clinicians, and ventures.

CARDIOLOGY, NATURALLY

We're proud to welcome a nationally recognized heart specialist to the CapitalFit community for the Expo – bringing an **integrative, root-cause approach** to cardiovascular health that fits right at home among our innovators in longevity and regenerative medicine.

BOARD-CERTIFIED CARDIOLOGIST & ELECTROPHYSIOLOGIST

Dr. James Kneller, MD, PhD

Founder, Natural Cardiology Institute · Scottsdale, AZ · FHRS, CCDS

Dr. Kneller is a nationally recognized, board-certified cardiologist and cardiac electrophysiologist with **20+ years** treating complex heart conditions. He earned his MD and PhD at McGill University and completed fellowships at Columbia University and UCLA, and is a Fellow of the Heart Rhythm Society (FHRS) and Certified Cardiac Device Specialist (CCDS).

As founder of the **Natural Cardiology Institute**, he specializes in integrative heart care – blending advanced diagnostics with natural therapies to help patients pursue in-depth second opinions, personalized prevention plans, and natural alternatives where appropriate. His focus: **root-cause healing** and empowering patients to take charge of their heart health.
